

PERSONAL EVALUATION CHECKLIST

Yes No

I have always dreamed of working for myself.

I believe in helping people to help themselves.

I am naturally solution conscious rather than problem conscious.

I believe true security lies in my ability to produce rather than seniority in a job.

Does my town need this?

I have been looking for a wonderful opportunity.

My husband (or wife), encourages me to be the best I can be.

Is this something I would enjoy?

Does the income, hours and potential for personal growth fit me and my family's needs?

I have prayed about this and the doors seem to be opening.
